WHO WE ARE

Ibran International is a licensed Overseas Employment Promoter (OEP) operating from one office in Rawalpindi — no sub-agents, no branches. Our group has traded since 2016 through Alroshan Enterprises (Pvt.) Ltd. (Travel & Tours); Ibran International was founded in 2020 and holds its own OEP licence, Saudi Embassy registration, and memberships. We do not sell visas, we do not guarantee jobs, and payment is accepted only at our office or into the company account.

THREE DIVISIONS

Malaysia Recruitment

Demand-based hiring of Pakistani workers for Malaysian employers — shortlisted for the Malaysia corridor, with our own registered company, Ibran International Sdn. Bhd., in Malaysia.

Saudi Wakala Processing

The kafeel has issued the visa — we process it: Wakala, E-Number, visa stamping and Protector, under Saudi Embassy Registration 3988. Typically 10–15 days once documents are complete.

Worldwide Recruitment

The same licensed pipeline for employers in other markets: attested demand, BEOE permission, lawful processing, Protector clearance.
